DISCUSSION

As part of their court duties in handling criminal cases, Deputy District Attorneys are charged with making requests to the court for appropriate restitution fines and orders for all convicted offenders and for appropriate diversion fees for all offenders placed on diversion. The intent of this contract is to provide trained personnel in the District Attorney's Office to work with the county criminal justice system, including the Courts and the Probation Department, to ensure that restitution fines and orders are properly administered in accordance with applicable statutes. Throughout the State, Criminal Restitution Compacts (CRC) between District Attorney Offices and the State have been implemented and are ongoing with successful results. The agreement with the State is for three fiscal years.

OTHER AGENCY INVOLVEMENT/IMPACT

County Counsel has reviewed this agreement as to form and legal effect.

FINANCIAL CONSIDERATIONS

Under the terms of this contract, $252,042 is available from the State for Fiscal Years 2013-14, 2014-15, and 2015-16. This three year contract provides $84,014 each year. No matching funds are required. The contract will reimburse the District Attorney's Office for a part-time Paralegal position, overhead charges, office supplies and required training. There is no impact on the General Fund.

RESULTS

The renewal of this grant will enable the District Attorney's Office to provide a trained Paralegal to work with the County

criminal justice system to ensure that restitution fines and orders are properly administered in accordance with applicable statutes.
